EP.2 Kidnappers

NASTY CAT

10 per room.
36 in total.
BOOM!
Ah...
Since Mor got kidnapped, 35.
...!!!
What?! That many?!
Then that's enough for Dumplun to become adjusted in one go!
See, I told you he'd be useful. ShiHyun Han was your name?
I like your name too.
Now how are you going to use these kids? Are you going to make them stronger?
For now, 30 of them will be used to optimize Dumplun's body.
Huh?
What does that mean...?
We'll inject Dumplun with copious amounts of Trouble blood across 5~6 days.
Then his body will be about 80~90% recovered.
Wait! That's way different from what I envisioned. Then my Trouble will die!
It's not dying. It's being absorbed by Dumplun. To the Trouble, there's no greater honor.
How do you know!
I am touched by your sincere treatment of the Trouble. But if you get in the way, I have no choice but to kill you.
Listen to me.
I just want to kill him.

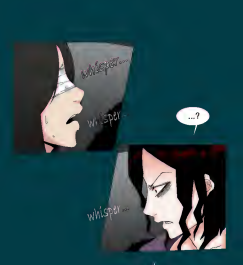
Wait.
This kid can be persuaded.

So bothersome.
Rukkem. I want to kill both you and that guy.

You think.

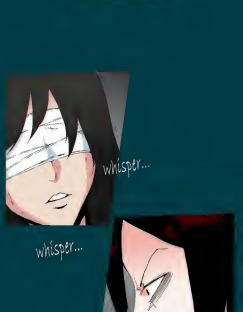
I'd just let myself be killed?!

N...
N...o...
squeeze...
...?!

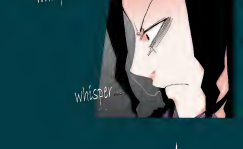


whisper...
whisper...
...?
whisper...

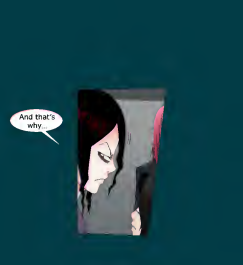
Is that... really..
what you guys want..?



whisper...
whisper...
whisper...

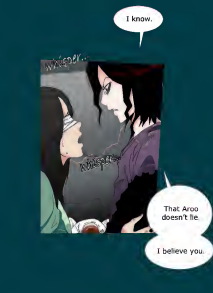


... ...



And that's why.

you're all on your knees..?!



I know..
That Aroo doesn't lie.
I believe you.

It seems like that kid Aroo told you something important.
For your sake, we'll pick 30 of the ones that haven't become attached to you.
If you're really on the Trouble's side, you have to be able to endure the sacrifice of around 30.

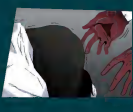
Though it feels dirty..
If that's how the kids feel, it can't be helped.
How pathetic. Kakkeem, even if he's yours, I have to kill him.
I know the ways of Shalbondo well.
You just think about adjusting to your body.

In exchange..
I have a request.
What?
Mor, a kid I've spent the longest with, was kidnapped. Mor and Aroo are the same as family to me.
Help me bring Mor back.

Fine.
Once Dumplhun's body settles down, I'll get him back with you.

Then..

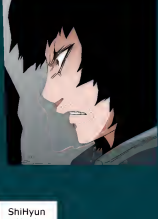
That's fine..



... ...

that I can't be with you longer..

He's dangerous..!



ShiHyun Han!

JangMi definitely said that he was a trustworthy guy, what happened.

What is YoonSung Kim doing?

How long do I have to stay cooped up here.

Ah..! What about MIR?! Where's MIR?

She went out saying she needed to let loose.

What? Where with that body?

You know you can't stop that kid.

I'm too weak!!

I totally feel like I'm gonna die of embarrasment!!

Plosqueak. It looks like you're injured, so go home and rest.

No! There's no time to rest! I have to train!

Since Beggar Chief isn't here, the next strongest is you, Mister!

So fight with me!

Why!!

If Mister Tin Can is stronger, show me proof!! You can fight with me!

So irritating! As I thought, he just looks strong. In terms of power, it's definitely Chief.
twitch!
Mehh!
...!!
Whip!
I'm leaving!
Wait. A. Sec.
What!!!
Since the fragment this time around looks like it'll take a while...
crickk crickk crickk crickk!
I'll play with you, pipsqueak.
Really?!! You'll fight with me?!!
Yeah.
Take a good look at whether that bag of bones is actually stronger.
